

WHAT IS THE CATPC?

The Advertising & Promotion tax (referred to as the ‘hospitality’ tax), was established by Harrison City Ordinance No. 944 and levied a ----

1. 3 percent (3%) tax on the portion of the gross receipts or gross proceeds received from the renting, leasing or otherwise furnishing of hotel, motel, or short-term condominium rental accommodations for sleeping, meeting, or party room facilities for profit in the City of Harrison, Arkansas, but such accommodations shall not include the rental or lease of such accommodations for periods of thirty (30) days or more.
2. 1 percent (1%) tax on prepared food and non-alcoholic beverage sold by restaurants, cafes, cafeterias, delis, drive-in restaurants, carry-out restaurants, convenience stores, grocery stores delis, festivals, and all other establishments in Harrison engaged in the selling of prepared food and beverages for on or off premises consumption.

Prepared food is food items sold that are altered by quantity or content:

- any food item that is cooked on the premises by the establishment for sale to a customer:
- a fountain drink would be subject to the tax, whereby a can of soft drink would not:
- meat or cheese sliced by the establishment for customer sale would be taxed, whereas, prepackaged meat or cheese sold to customers as purchased by the establishment from a vendor would not be taxed:
- A pre-packaged bag of nacho chips/potato chips would not be taxed, however, an on-premises prepared serving of nachos (cheese and nacho chips) would be, etc.

Although this is a city tax, state laws govern the makeup of the Commission and set forth guidelines for any expenditure of the funds collected. Payment of the tax is made directly to our office, and any expenditure must be approved by the Commission.

WHO ARE THE COMMISSIONERS?

The Commission consists of seven commissioners: two City Council representatives, four members shall be owners or managers of businesses in the tourism industry and one at large position. The initial terms of the Commissioners were staggered 1, 2, 3, and 4-year terms, with re-appointments terms of four years. Presently, the Commissioners are: Jeremy Ragland and Mary Jean Creager, City Council Representatives; Ravin Patel, Robin Reeves, Thomas Honer, and John Cathey, Industry Representatives; and Rodney Arnold, At Large Position Representative.

WHEN AND WHERE ARE THE MEETINGS?

The regular meetings are held the fourth Thursday of each month at 8:30 a.m. in the Arvest Board Room at the CVB located at 200 W Stephenson Ave. These meetings are open to the public and we encourage you to attend.

WHY WAS THE CATPC ESTABLISHED?

The tourist industry is one of Arkansas' greatest assets, with many business travelers and vacationers finding their way to the Ozark Mountains. When arriving to our area, the tourist decides if he or she will spend money in Harrison or travel to a different location. Realizing that Harrison has to compete for a share of the tourist dollar, the CATPC was established to provide funding for promotional materials and events that will entice people to make Harrison their vacation headquarters or a stop on their vacation agenda. Brochures, city maps, ads in major magazines and newspapers, and tourist information packets are a few of the ways Harrison is presented. Radio, TV and newspaper ads are run during special events. Without the monies collected through the tax, no funding would be available for the promotion of the City.
